# We believe in the following values as being important to us:

## ***Customer Value***

Aim to surpass their expectations constantly

## ***Honesty***

Be open and transparent

## ***Accountability***

For our actions and for our results, taking ownership at both an individual and collective level

## ***Respect***

For ourselves, each other, our clients and our communities; understanding that we are all different and that we all have great things to offer

## ***Leadership***

Lead by example and set standards that are high

## ***Integrity***

Do what we say we're going to do

## ***Excellence***

Strive relentlessly to achieve it, not just for your customer but for the company and yourself

# AIR FREIGHT

A logical approach for your consignment and single shipments

With all the options available we consider everything before moving your shipment. Urgency, shipment size, nature of goods and special handling requirements are an example of what comes into play.

We look at the big picture first then work out all the small details to ensure you are getting everything you require and not being charged for something you don't.

We offer you the following:

- Door to Door
- Airport to Airport
- Customs Clearance (worldwide)
- Special Packaging (hazmat, crating)
- Dangerous Goods Handling
- Perishable Goods
- Charter (urgent), Express & Economy Service levels
- Agent Network Alliance that spans the globe

# OCEAN FREIGHT

A smart alternative when time is on your side

We work closely with all the major shipping lines to ensure we secure the space and pricing our customers demand. Regardless of where your shipment is going we'll show you options.

You'll also benefit from our transit times, integrated (multimodal) solutions and especially our flexibility. It doesn't matter where you are located or the size of your business, we are always available and personable to work with.

We offer you the following:

- Door to Door
- Terminal / Terminal
- LCL (less than container load)
- FCL (full container load)
- Special Equipment (flat racks, reefers, open tops, high cube etc.)
- RORO (roll on & roll off – vehicle moves)
- Break bulk
- Special Projects (plant relocations etc.)
- Customs Clearance (worldwide)
- Special Packaging (hazmat, crating)
- Dangerous Goods Handling
- Express & Economy Service levels
- Agent Network Alliance that spans the globe

# GROUND FREIGHT

Shipping from A to B is as simple as ABC

Ground transportation has evolved into a complex combination of options – all offering various benefits at different pricing points. The challenge is to navigate through these options and develop a shipping strategy that fits your requirements.

At Freight Sense we make sure we understand your needs first then match your shipment with the most fitting service level. In this way we make sure you get exactly what you require without paying for anything you don't.

Some of the considerations we take into account are:

- Delivery deadlines (assembly lines, tradeshow etc.)
- Special handling requirements (blankets, straps etc.)
- Receiving requirements (driver assist, jobsite – road or residential delivery)

# GROUND FREIGHT

As a result of these considerations we are able to provide you with the following services:

- LTL (less than trailer load) & FTL (full trailer load)
- Special equipment (Flatbeds, drop decks, floats)
- Special projects (permits, escorts etc.)
- Tradeshow deliveries (off-site warehouse as well as directly to show)
- Hazardous/Dangerous Goods
- Crating & Special Packaging
- Customs Clearance (Canada / USA / Mexico)
- Road/Rail service
- Dedicated Team Service
- Time Specific Delivery

# HEALTHCARE LOGISTICS

Freight Sense is dedicated to increasing the efficiency and economy of healthcare logistics

We aim to be viewed as the logistics company who understands the sensitivities of the healthcare industry.

Whether it is large equipment required at site - timed with installation crews and construction progress of medical facilities, or small critical deliveries to the reception desk of long term care facilities – we are ready to provide what is needed 24 hours a day / 7 days a week.

Our years of experience and networking capabilities allow us to quickly arrange the most cost effective solution that fits your time frame and budget.
